Dear Senator Roraback and Representative Davis:

In accordance with Section 4-170 of the Connecticut General Statutes (C.G.S.), enclosed herewith please find a copy of proposed revisions to amend the Regulations of Connecticut State Agencies Sections 10-76a-1 to 10-76d-19, inclusive, Sections 10-76h-1, 10-76h-3 to 10-76h-10, inclusive, and Sections 10-76h-13, 10-76h-15 and 10-76h-16 concerning the provision of special education and related services to children eligible for such services. The enclosed proposed regulations are a resubmittal of Regulations 2012-046, rejected without prejudice at the October 2012 meeting of the Regulations Review Committee. The revised regulations were submitted to the Office of the Attorney General on December 31, 2012. Please be advised the agency was not required by a public act to adopt regulations pursuant to subsection (b) of Section 4-168 of the C.G.S.

The substantive and technical corrections recommended by the Legislative Commissioner's Office have been incorporated into the resubmittal, except as noted in the attached summary.

If you have any questions, please contact Attorney Theresa C. DeFrancis at (860) 402-3397.

Sincerely,

Stefan Pryor
